Certified Mail Return Receipt

After reviewing your request for a medical exemption and consulting with our district physician, your request for [REDACTED] medical exemption has been denied. As part of this review, the district physician consulted directly with the physician who completed the medical exemption request; however, that physician was unable to provide supporting documentation or sufficient information to substantiate the request.

Therefore, per New York State regulation, [REDACTED] will be excluded from school effective Thursday, September 24, 2026.

Please note that if you choose to appeal this decision, you may do so within thirty days of the District's written denial of your request. Directions on how to file a 310 appeal are posted on the State Education Department's (SED) website at <http://www.comsed.nysed.gov/appeals>.

Any questions regarding the appeal process can be directed to SED Student Support Services at 518-486-6090 or studentsupportservices@mail.nysed.gov. The State Education Department will notify the school if the student's stay has been granted.

Please note that pending notification from the State, [REDACTED] must be excluded from school during the appeal process.

Sincerely,

Dr. Brendon Mitchell
Principal
Oceanside High School
