Dear Dr. Jablonowski:

Your manuscript entitled "Autism Spectrum Disorder in U.S. Military Children as Described by the U.S. Census Bureau from 2016 to 2023" has been successfully submitted online and is presently being given full consideration for publication in BMJ Military Health.

Your manuscript ID is military-2025-003224.

Please mention the above manuscript ID in all future correspondence or when calling the office for questions. If there are any changes in your street address or e-mail address, please log in to ScholarOne Manuscripts at <https://mc.manuscriptcentral.com/bmjmilitary> and edit your user information as appropriate.

Author names will be taken directly from the information held in ScholarOne and not from the article file. Please check that all names are correctly entered as this will be the name displayed on the final published article and in any indexes affiliated with the journal.

You can view the status of your manuscript at any time by entering your manuscript ID military-2025-003224 into Where Is My Paper <https://whereismypaper.bmj.com/>, our fast and easy-to-use manuscript tracking tool or by checking your Author Center after logging in to <https://mc.manuscriptcentral.com/bmjmilitary>.

Any individuals listed as co-authors on this manuscript are copied into this submission confirmation email. If you believe that you have received this email in error, please contact the Editorial Office.

Please ensure that all ORCID IDs have been added to co-authors' ScholarOne accounts before completing your submission. Note that only the individual user can add ORCID IDs to their account and the corresponding author is unable to add this to co-authors' accounts on their behalf. Additionally, BMJ is unable to add ORCID IDs to users accounts on their behalf. ORCID IDs should be linked to their ScholarOne account prior to acceptance. BMJ cannot add ORCID IDs during the production process or after publication.

Thank you for submitting your manuscript to BMJ Military Health.

Kind regards,  
Editor in Chief, BMJ Military Health

P.s. What did you think of the article submission process?

At BMJ, we constantly strive to improve our services for authors. We value your feedback and we'd be grateful if you could take 5 minutes to fill out our short survey. Your responses will remain confidential and you won't be identified in any results.

Please click on this link to access the survey <https://www.surveymonkey.co.uk/r/6DGV97V>:

We are constantly trying to find ways of improving our peer review system and continually monitor processes and methods by including article submissions and reviewers' reports in our research. If you do not wish your paper or review entered into our peer review research programme, please let us know by emailing [redacted] as soon as possible
