Dear Dr. Jablonowski:

I am writing to you in regard to manuscript # military-2025-003224, "Autism Spectrum Disorder in U.S. Military Children as Described by the U.S. Census Bureau from 2016 to 2023", which you submitted to BMJ Military Health. Your manuscript has been evaluated and has been declined for publication in BMJ Military Health.

Thank you for considering BMJ Military Health for the publication of your research. I hope the outcome of this specific submission will not discourage you from the submission of future manuscripts.

Yours Sincerely,

Prof. Jason Smith
Editor in Chief, BMJ Military Health

If you choose to transfer your manuscript to one of our pure open access journals, you should be aware that they levy an Article Processing Charge (APC) that will be payable should the manuscript be accepted. Waivers and discounts are offered in certain circumstances. View the journal's author guidelines for further information.

If you intend to rebut this decision please notify us before then.
The journal(s) (if any) you have selected at submission are: BMJ Open
If you want to speed up or stop this onward transmission please email the editorial office: [redacted]
