ACTION REQUIRED

You are receiving this message because you are **not compliant** with the Rutgers COVID-19 vaccine mandate. The mandate will take effect on August 1.

Students who remain not compliant with the mandate will lose access to Rutgers computer applications that require login (for example: my.rutgers.edu, Canvas, housing assignments, WebReg).

AVOID THE RUSH!
Upload what you have, finish up and submit the rest later.
Do not delay uploading your COVID-19 vaccine records.

Please select from the following:

○ **I attest that I have submitted my records and am awaiting review.**
Note: you can check to see your status at https://rutgers.medicatconnect.com under immunizations

○ **I attest that I will upload my COVID-19 vaccination records.** I understand that if I do not upload my records by August 1, I will not be able to access Rutgers computer applications that require my netid.

○ **I attest that I have scheduled my COVID-19 vaccination** and will upload the records as soon as I am vaccinated. I understand the deadline for the Rutgers COVID-19 vaccine mandate is quickly approaching on August 1.

Once access is blocked, it can take 5 to 7 business days after I submit my COVID-19 vaccine records before I can use my netid again.
