**TEMPORARY RESTRAINING ORDER AND ORDER TO SHOW CAUSE**

At a session of court held in the courthouse  
In Wayne County, Michigan, on 6/2/2023.  
Present: Honorable JUDGE ADEL A. HARB  
Wayne County Circuit Court Judge

The Court has considered Plaintiffs' Complaint, Motion and Brief, Affidavits and exhibits and has determined the following:

1. Plaintiffs have a likelihood of success on the merits of their claims and/or defenses.
2. Plaintiffs will suffer irreparable harm and loss if Defendants are not immediately enjoined from proceeding with any further activity related to the wireless communications facility currently installed atop the smokestack of Washington Elementary School located at 1440 Superior Blvd., Wyandotte, MI 48192.
3. Plaintiffs have no adequate remedy at law.
4. Plaintiffs will suffer greater injury from the denial of temporary injunctive relief than Defendants will suffer from the granting of such relief. The granting of this temporary restraining order will further the public interest.
5. The Court finds good cause for entering this Order *ex parte*.

IT IS ORDERED:

1. A temporary restraining order is issued. No security is required.
2. Defendants are enjoined from proceeding with any further activity related to the wireless communications facility currently installed atop the smokestack of Washington Elementary School located at 1440 Superior Blvd., Wyandotte, MI 48192, including the generator associated therewith, including, but not limited to activating the wireless communications facility and/or making it operational.
3. This order shall remain in full force and effect until this Court specifically orders otherwise, but not more than 14 days from date of entry.
4. Defendants shall show cause before this Court on 6/12/2023 at 10 am why a preliminary injunction should not be ordered according to the terms and conditions of the temporary restraining order.
5. This Order is issued on 6/2/2023, 2023.

Dated: 6/2/2023
