| 1 | 6 | 104 | Mary | Wireless technology currently in place has already destroyed our health and our lives (me and my children), and barred equal access to our home (actually, several of them). There is already no way to escape these emissions that sicken us and bar our acce |
| 2 | 22 | 462 | Audrey | My daughter got severe migraines from the smart meter. once it was removed she was fine. We don't want any 5G, 6G, etc . Don't care about smart homes, self driving cars, faster download times, etc. - not worth the tradeoff in horrible health. |
| 3 | 34 | 741 | Dr Kevin | My wife gets migraines and other debilitating symptoms from wireless radiation. My daughter was sick at school whenever wireless devices were used and we discovered that she also suffers from EHS. Currently she is unable to attend school without being sic |
| 4 | 37 | 791 | Jessica | My children and I are EHS and can barely cope with the inundation of radiation we experience already. Please stop. |
| 5 | 62 | 1279 | Kim | Ever since 5G came into our neighborhood, across the street from our school, 2 of my kids and my husband have been dealing w dizzy spells and don't get good sleep anymore. It's going on 2 yrs now. Nothing is found medically. |
| 6 | 73 | 1518 | Ananda | Ever since cellphone towers where placed my health steadily degraded with neurological symptoms, loud ringing in my ears, migraines, body aches, skin burning, rashes and major fatigue. Both of my children have also suffered the same symptoms and even deve |
| 7 | 79 | 1623 | Santa | My daughter is 100% disabled because of radio frequency radiation and it is life threatening. My daughter can not go anywhere because of the smart meters. With 5G she will not survive. |
| 8 | 100 | 2078 | Patricia | My son and I have already been severely injured by radiaion exposure from smartmeters and methane gas exposure from the Santa Susana gas leak. Where are our rights? |
| 9 | 124 | 2616 | Robyn | My children are hurt by wireless radiation exposure. The wireless radiation at school will be the cause of us home-schooling next year. Please let our home be a safe haven! |
| 10 | 124 | 2627 | Mary | My son has damage that displays many symptoms of electro magnetic frequency damage from childhood. |
| 11 | 127 | 2686 | James | My child and myself are already suffering the effects of wireless radiation with the current bombardment. 5G will only exacerbate our health conditions. |
| 12 | 181 | 3857 | Lori | My special needs daughter is sensitive to this and it will directly effect her! We don't even have wifi in our home because if the health implications! |
| 13 | 213 | 4522 | Melanie | Since the towers went up in our town my boys have experienced ear ringing, migraines and muscle pain. This is a crime against humanity. |
| 14 | 219 | 4632 | Michael | I have two children who are electrosensitive. Their activities have become severly limited because the wifi radiation in virtually every building makes them ill. Now, we have 5G towers going up everywhere which produce sharp pains whenever we pass close b |
| 15 | 231 | 4912 | Martha | Microwave radiation and wireless devices that emit radio frequency radiation make me and my children sick and unable to function. Once away from these, we are fine. We do not consent to have ourselves subjected to wireless radiation, micro and millimete |
| 16 | 278 | 5948 | Kendall | My six year old gets migraine headaches from wireless radiation exposure please don't force this killing technology into our neighborhoods against our will and put my son in endless agony. |
| 17 | 279 | 5959 | Barbara | My kids and grandchildren are already sensitive to wireless before 5G. 5G much worse. Stop this rollout which has zero safety testing and zero safety considerations by those approving it irrespective of grave safety issues. |
| 18 | 320 | 6851 | Christina | My child started getting severe migraines when 5G started being used in our neighborhood and school. |

| 19 | 321 | 6886 | Olive | My son died about two months after we got our gas meter smart meter installed without our permission. I couldn't figure out what seemed to inflame him shortly after that meter was installed. He had been improving very noticeably and then went back down hi |
| 20 | 332 | 7101 | Ginger | My son would wake covered in blood from his nose daily until we removed the smart meter from near his room. Once gone the bloody noses stopped. This is just from a smart meter. Imagine the power of small cell towers! |
| 21 | 378 | 8086 | Kerry | My son has had trouble sleeping and plagued by frequent headaches since the installation of 5G towers across the road and down the street from our home. I cannot bear to have any of these towers closer to our property, my son will become even sicker! PI |
| 22 | 418 | 8986 | Kenneth | We are paying extra each month so our electric company doesn't use a smart meter. Our daughter was having seizures while the smart meter was in use, but not anymore. God knows what 5G would do to her. |

| 26 | 591 | 12720 | Anjanette | As a sensitive health educator and homeschooling mom, I and my family have been suffering too long already with irresponsible health testing of these new devices. Just because we cannot see this technology, like the wind or electricity, does not mean it h |
| 27 | 605 | 13015 | Shauna | My son has unexplained muscle pain we have seen a Dr and had a few tests done with no answers I believe that the 5g was making his condition worse because when I stopped our 5g signal his symptoms relieved 50% or more we need our home to be a safe place |
| 28 | 614 | 13240 | Phuong | My nephew is sick because of emf sensitivity. He cannot even attend regular school. Better health is what this world needs, not 5G and not more emf/radiation. |
| 29 | 621 | 13374 | Danica | I get migraines from 5G towers. My daughter was sick at school whenever wireless devices were used and we discovered that she also suffers from EHS. Currently she is unable to attend school without being sick (headaches and vomiting). The science is clear |
| 30 | 658 | 14198 | Sheila | The FCC's actions have already caused injury to MY body and that of my Children. The Federal Communication Commission has allowed a situation where telecommunication corporations AND energy corporations, can physically assault us, with impunity, Our hom |
| 31 | 646 | 13922 | Sharka | As a mother of two children I am deeply concerned about this!! I can see our children are getting very affected by the EMF radiation!!! |
| 32 | 492 | 10612 | Molly | I have a child who suffers from very severe eczema and food allergies. It ruins his life. When we turned off wifi in our house we realized EMFs is what causes his eczema and allergic reactions. His little body can not handle 5G anywhere near him. 5G p |
| 33 | 286 | 6100 | Dr. David | Thank you so much for all that you are doing! My wife and I have been researching all microwave radiation for the past 5 years and passionately for the last 9 months due to my wife and daughter are moderate to severely effected by it. We have no forms |
| 34 | 141 | 2970 | Brooke | My children and i are highly allergic and sensitive to EMFs. this will be devastating for mine, and my children's health. |

| 37 | 446 | 9583 | Rachel | I object to 5G. We have worked so hard to heal my daughter from neurological issues, we do not need more burden placed on her health. |
| 38 | 486 | 10503 | Heather | Exposure to this type of radiation would aggravate my child's medical condition. |
| 39 | 540 | 11661 | Paula | My child and my husband are immune compromised ... I do not consent to radiation exposure and believe that wireless radiation is a health risk |
| 40 | 570 | 12277 | Melinda | My son has autism and seizures and is impacted negatively by wireless. |
| 41 | 153 | 3252 | Bernice | My son is already sensitive to EMF's from chemical exposures. we have to do much monitoring to keep him regulated. More exposure could be super harmful for not only him but us as well. |
| 42 | 626 | 13491 | Ann | My ASD daughter has sleep issues and we turn off all gadgets in order to foster sleep. While I haven't control of my neighbor's routers, this will mean more passive exposure to us. This seems an unnecessary burden during this 5G expansion. Please do mor |

| 53 | 588 | 12646 | Don | Our family is very sensitive to these electrical signals. Please do not allow these devices! |
| 54 | 606 | 13045 | Audra | My family is highly sensitive to EMF. Exposure to 5g cause autonomic disfunction resulting in vertigo and headaches to name a few symptoms. |
| 55 | 652 | 14073 | Derek | We have been greatly affected by wireless radiation near our home. In fact we moved because a tower was within 250 yards of our home. This would be a nightmare if it passed. I'm signing to keep my family safe. |

| 56 | 665 | 14342 | Pamela | Our family is extremely sensitive to wireless. |
| 57 | 698 | 15070 | Nadine | Our family is very sensitive to EMFs. I object to allowing the expansion of such dangerous technologies. |
| 58 | 581 | 12498 | Eden | My family has serious disabilities and if my neighbor gets this kind of wireless it could seriously make a dire health situation for my family. |
| 59 | 283 | 6053 | Gail | My family's injuries affect our quality of life. |
| 60 | 127 | 2685 | Sara | I am a health care professional and parent and I have family members who are already suffering health effects from wireless radiation. 5G will only magnify these health effects. |
| Adults Who Suffer from Radiation Sickness | | | | |
| 61 | 3 | 58 | Eduardo | I started feeling really sick and at first thought that it was corona virus later I realize every time I went close to the 5g towers I felt really tire and short on oxÄgen . They putting those antennas everywhere knowing the health risk they bring . |
| 62 | 78 | 1612 | Laurie | I am a school teacher that became very sick (microwave sickness/ electrosensitivity) when my school district installed a new commercial strength wifi system, adding 190+ routers on our campus. I do not consent to radiation crossing my property boundaries |
| 63 | 297 | 6362 | Lauren | We are super sensitive to emf |
| 64 | 486 | 10494 | Kristin | We are EMF Sensitive. 5G is not conducive to life. |
| 65 | 8 | 145 | Christine | I personally have felt the improvement of my well being, when I greatly reduced my exposure to EMF. I am not fatigued any more, am not forgetful any longer, my ability to concentrate is back to normal. I had my house and workplace professionally inspected |
| 66 | 9 | 165 | Eileen | Until you suffer from this exposure you will never truly understand. But please try. |
| 67 | 9 | 167 | Angela | 4G is already making us physically ill! Please, please: do not implement 5G for the sake of our well being, as well as our pets and wildlife!!! |
| 68 | 12 | 230 | Stephanie | Put health before money. Three towers nearby and constant heads-aches. Please do your research and stop using humans as lab rats. |
| 69 | 28 | 587 | Heather | I am hyper sensitive to wireless radiation and have spent the last year altering my home to minimize my exposure. Please stop this madness. |

| 71 | 54 | 1125 | Estela | I am electromagnetic sensitive I had to remove my smart meter, get filters for my house |
| 72 | 63 | 1309 | J | We unknowingly got 5G in our home when we changed to Spectrum internet. They never asked permission. We also have been plagued with eternal sinus issues since. Trying to get them to remove it. |
| 73 | 64 | 1314 | Jill | I am very sensitive to WiFi radiation and can physically feel the effects (fatigue, brain-fog, headaches) when exposed to more than only a little per day. I have a radiation-protective cover on my phone to reduce exposure and we turn our WiFi off at night |
| 74 | 75 | 1561 | Falcon Leslie | As someone whose physical and emotional health has been gravely deteriorated by an over-concentration of EMF and RF at even 4G levels, I strongly object and in fact do not consent to being irradiated in my home by too much EMF or RF, whether it be from mi |
| 75 | 81 | 1668 | Penny | Radiation from cell phones already hurts me bad enough, I would not survive having any 5G towers right next to my house. I get horrific migraines whenever I'm near cell towers and power lines amongst other issues. Please do not go forward with this. |
| 76 | 88 | 1842 | Katherine | I lived previously in a neighborhood filled with cell towers. The power company came out and read .3 radiation everywhere inside and outside my home. I happened to work across the street from a cell tower as well. I never got a break and got so sick my ph |

| 78 | 103 | 2159 | Bibi | I am electronically sensitive and have personal experience of the toxic effect of wireless radiation. 5G must be stopped. I must be able to protect myself, especially in my home. |
| 79 | 104 | 2162 | Ingri | I have been harmed by wireless radiation at the 4G level and am astounded that 5G is being rolled out without any government-funded safety or health studies. Where is the NEPA review prior to placement of these towers and devices? This a violation of basi |
| 80 | 109 | 2275 | Mary | I'm sensitive to EMF and radiation I have ringing in my ears and have to turn off my wi-fi at night to get some relief from it. 5G will most definitely exacerbate my condition and make it hard to live with. |
| 81 | 116 | 2443 | Susan | 5G is a dangerous development in today's technology. My ears have started ringing since 5G came to my area--what will come along next? |
| 82 | 117 | 2455 | Malcolm | I'm radiation sensitive and cannot tolerate proximity to microwave transmitters. I've already had move away from a cell transmitter once to maintain my health. I should not have to be forced to do this!! |
| 83 | 121 | 2553 | Debra | I have experienced ill health due to smart meters and wifi in my home. I am opposed to 5G technology as I feel it has not been tested adequately to ensure it is safe for human beings. We should not be forced into living with technology that has already b |
| 84 | 123 | 2596 | David | While I may not have been knowingly 'injured' by wireless, I have been experiencing more frequent headaches, tinnitus, brain fog and other strange symptoms. This is all after the installation of 5G towers in my area and across Long Island. |
| 85 | 128 | 2703 | Laura | I noticed my sensitivity to electromagnetic radiation when working in a government office building in cubicles with lots of computers around me and fluorescent lights. My small kitchen had a large fluorescent light and I noticed problems in that room. A |
| 86 | 128 | 2711 | Courtney | I am becoming increasingly sensitive to electromagnetic radiation of all kinds and do not consent to having wireless radiation technology at the frequencies indicated for 5G wireless networks within or in proximity to my home. |
| 87 | 130 | 2738 | Michael | These were put up over my apartment and I live in agony now. My head pounds, my ears ring my heart races and I can't sleep. This is so wrong with so many studies showing awful health effects. Stop the insanity! |
| 88 | 132 | 2758 | Alana | While I haven't personally experienced major injury, I am definitely electro sensitive and experience headaches and migraines with extensive wifi and device use. |
| 89 | 132 | 2772 | Katherine | I am very sensitive to Emf wifi etc. I have moved away from the city to get away from the bombardment It has helped. The last thing I want is to have it out here where I am finally feeling better! Thankyou for helping protect all of our health. |
| 90 | 138 | 2893 | Marla | For 9 years I taught in a classroom that had Dirty Electricity levels 40+ times higher than safe. I became electro-sensitive and suffered a deterioration in my health. Choosing to ignore the danger of EMF is very foolish. |
| 91 | 152 | 3222 | Jennifer | Six years ago, I was sickened/injured by wireless radiation. It was being emitted from mobile phone antennas, concealed in the roof of a building in which I taught school. Not knowing those antennas were there, I had no idea at first why I was becoming so |
| 92 | 154 | 3270 | Teresa | I have already been injured by wireless radiation coming from smart meters. I'm not willing to risk further illness and injury from 5G. |
| 93 | 159 | 3377 | Stephanie | I've been wireless injured for 10 years now. The truth about wireless harm MUST COME OUT TO EVERYONE NOW. |
| 94 | 166 | 3634 | Peter | Since August 2019 I have experienced increased symptoms of intense WiFi radiation. The symptoms include headache, dizziness, shortness of breath, anxiety, and depression. I am a healthy 36 year old male I exercise 4 times a week and work a physical job. I |
